Authorization for the Release of Information/Privacy Act Notice to the U.S. Department of Housing and Urban Development and the Housing Agency/Authority (HA)

U.S. Department of Housing and Urban Development, Office of Public and Indian Housing

PHA or IHA requesting release of information (full address, name of contact person, and date):

Bloomington Housing Authority (T) 812.339.3491
 1007 N. Summit Street (F) 812.339.7177
 Bloomington, IN 47404

Authority: Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by Section 903 of the Housing and Community Development Act of 1992 and Section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law is found at 42 U.S.C. 3544. This law requires you to sign a consent form authorizing: (1) HUD, and the Housing Agency/Authority (HA) to request verification of salary and wages from current or previous employers; (2) HUD and the HA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; and (3) HUD to request certain tax return information from the U.S. Social Security Administration and the U.S. Internal Revenue Service.

Section 104 of the Housing Opportunity and Modernization Act of 2016. The relevant provisions are found at 42 U.S.C. 1437n . This law requires you to sign a consent form authorizing the HA to request verification of any financial record from any financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401)), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits.

Purpose: In signing this consent form, you are authorizing HUD and the above-named HA to request income information from the sources listed on the form. HUD and the HA need this information to verify your household's income, in order to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD and the HA may participate in computer matching programs with these sources in order to verify your eligibility and level of benefits.

Uses of Information to be Obtained: HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. HUD may disclose information (other than tax return information) for certain routine uses, such as to other government agencies for law enforcement purposes, to Federal agencies for employment suitability purposes and to HAs for the purpose of determining housing assistance. The HA is also required to protect the income information it obtains in accordance with any applicable State privacy law. HUD and HA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

Private owners may not request or receive information authorized by this form.

Who Must Sign the Consent Form: Each member of your family who is 18 years of age or older must sign the consent form. Additional signatures must be obtained from new adult members joining the family or whenever members of the family become 18 years of age.

Persons who apply for or receive assistance under the following programs are required to sign this consent form:

Public Housing
 Housing Choice Voucher
 Section 8 Moderate Rehabilitation

Failure to Sign Consent Form: Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing benefits, or both. Denial of eligibility or termination of benefits is subject to the HA's grievance procedures and Section 8 informal hearing procedures.

Revocation of consent: If you revoke consent, the PHA will be unable to verify your information, although the data matches between HUD and other agencies will continue to automatically occur in the Enterprise Income Verification (EIV) System if the family is not terminated from the program.

Sources of Information to be Obtained

State Wage Information Collection Agencies. (This consent is limited to wages and unemployment compensation I have received when I have received assisted housing benefits.)

U.S. Social Security Administration (HUD only) (This consent is limited to the wage and self-employment information and payments of retirement income as referenced at Section 6103(l)(7)(A) of the Internal Revenue Code.)

U.S. Internal Revenue Service (HUD only) (This consent is limited to unearned income [i.e., interest and dividends].)

Information may also be obtained directly from: (a) current and former employers concerning salary and wages; and (b) financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits. I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information.

Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD’s assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. In addition, I must be given an opportunity to contest those determinations.

This consent form remains effective until the earliest of (i) the rendering of a final adverse decision for an assistance applicant; (ii) the cessation of a participant’s eligibility for assistance from HUD and the PHA; or (iii) The express revocation by the assistance applicant or recipient (or applicable family member) of the authorization, in a written notification to HUD or the PHA.

Building Your Future Together

The Family Self-Sufficiency (FSS) program is a federal initiative administered by the U.S. Department of Housing and Urban Development (HUD). The primary goal of the FSS program is to help individuals and families participating in the Housing Choice Voucher (Section 8) program achieve economic self-sufficiency.

Here are key features and components of the Family Self-Sufficiency program:

- **Individualized Goal Setting:** Participants work with a FSS Coordinator to establish personalized goals related to education, employment, and financial independence. These goals are intended to help families increase their earning potential and reduce their dependence on public assistance.
- **Service Coordination:** FSS program coordinators work with participants to connect them with the necessary support services in the community. This may include education and job training programs, childcare services, transportation assistance, and other resources.
- **Escrow Accounts:** As participants increase their income through employment, a portion of their rent payments is deposited into an escrow account. This account is established for each participant and is designed to create a financial cushion. Funds can be accessed throughout participation to help you meet your goals. Upon successful completion of the program, the funds in the account are paid to the participant without any restrictions on use of the funds. The funds from the account are tax free.
- **Contract of Participation:** Individuals and families entering the FSS program sign a Contract of Participation outlining their goals and the services they will receive. This contract is a commitment to actively work towards achieving self-sufficiency.
- **Duration of Program:** The FSS program typically has a five-year duration, during which participants work towards meeting their goals. However, the exact duration may vary depending on your needs.
- **Graduation and Benefits:** Upon successful completion of the program, participants receive the funds in their escrow accounts. This funds can used for any purposes, however, common uses include furthering education, purchasing a home, or starting a small business.
- **Coordination with Public Assistance Programs:** The FSS program is designed to complement other public assistance programs. Participants may continue to receive housing assistance and other benefits during and after completion of the FSS program. You never risk losing your Section 8 by joining, participating in, and even graduating from FSS.

The FSS program aims to empower individuals and families to break the cycle of poverty and achieve financial independence. It provides a structured framework for participants to set and achieve goals, access support services, and build the skills and resources needed to improve their economic well-being.
