

Bloomington Housing Authority Parking Policy

The Bloomington Housing Authority has instituted the following parking policy:

1. To park in any of the housing authority lots, the resident must have a parking permit issued by the housing authority!

In order to obtain a parking permit, you must do the following:

- 1) Bring in the title and registration of the vehicle you wish to park in the lots,
 - 2) Write a description of the vehicle including the following: year, make, model, and color,
 - 3) Place permit in front windshield of vehicle, where it can be seen when parked in Housing Authority parking lots.
2. If a car is in a housing Authority lot without a permit, or has illegal license plates, or if it appears to be abandoned (broken windows, flat tires, wrecked, etc.) It will tow at the owners expense!!!!
 3. Residents may have one permit per household. Other vehicles need to be parked on city streets.
