#### I. Call to Order

Chair Elaine Amerson called to order the regular meeting of the Bloomington Housing Authority Board of Commissioners at 8:30 A.M. on Thursday, March 28<sup>th</sup>, 2024, in person at the Lindsey A. Smith Community Center, located at 1002 N Summit St., Bloomington, IN 47404.

## II. Roll Call

Those present in person were: Chair Elaine Amerson; Vice Chair Sherry Clay; Commissioners Mary Morgan, and Nordia McNish; Executive Director Kate Gazunis Capital Assets Manager Rhonda Moore, Director of Real Estate Nathan Ferreira, Director of Finance Dhara Patel, Housing Stability Coordinator Jessica Craig, and Administrative Assistant Ashley Spradley.

Guests: Stephanie LaFontaine, HAND

Absent: Commissioner Sue Wanzer, Commissioner Tracee Lutes, and Commissioner Jerry Cravens.

#### III. Approval of Minutes from the Last Meeting

A motion was made to approve the amended board meeting minutes for February 22<sup>nd</sup>, 2024, by Sherry Clay and Mary Morgan. All were in favor. None opposed. Motion approved.

#### **IV. Financial Statements**

1. Finance Manager, Dhara Patel gave a brief overview of the February 2024 Financial Statements which included revenue and expenditures for Bloomington RAD I (Reverend Butler and Walnut Woods), Bloomington RAD II (Crestmont), the Housing Choice Voucher Program (HCVP), and the Central Office Cost Center (COCC). She states that February was the 4<sup>th</sup> month of the fiscal year for HCV and COCC and the first month for RAD I and II.

Finance Director Dhara Patel stated that RAD II has exceeded expenses because the insurance premium is higher than last year's premium by 130%. She explained that we had to pay a down payment of three months of the insurance premium.

Executive Director Kate Gazunis asked for approval from the board for a single-purpose additional credit card. We would use the credit card to auto-pay the insurance premium each month. The bank says that they can code the credit card so that the only thing that is paid for by the credit card is the insurance. We would receive points for the reward dollars for using the credit card at the level it will be used.

Commissioner Nordia McNish asked what we would use the points for. Kate says last time we had points, we used them to buy a printer for an office. Director of Finance Dhara Patel says we will get cash rewards for using this card and that we can use that money for board expenses like sundry and/or travel and training.

A motion was made to approve the additional credit card by Sherry Clay and Mary Morgan. All were in favor. None opposed. Motion approved.

#### V. New Business

#### 1. Kohr Community Flats Management

Executive Director Kate Gazunis stated there will be an issue managing Kohr Community Flats. She doesn't want our property management team to be taking on another building. Our maintenance department is already planning on doing all of the maintenance for the early learning center. Kate says she met with Danielle Sorden who made recommendations to Kate as to who to possibly speak with in regards to managing the Kohr building.

Stephanie LaFontaine with the City of Bloomington HAND department asked if there was an expectation to have at least one full-time staff on site. Executive Director Kate Gazunis said that with the building being 38 units, it cannot afford full-time staff. She said the budget will allow for two part-time staff, one part-time maintenance, and one part-time office personnel. She says she believes the key to its success is 24/7 security. She says we are looking for a person who can patrol the unit and cameras for the units.

Executive Director Kate Gazunis says she will send matrixes to the board members of who has been interviewed and who we recommend/have chosen to manage the property.

A motion was made to approve using a third-party management company to manage Kohr Community Flats by Sherry Clay and Mary Morgan. All were in favor. None opposed. Motion approved.

#### 2. Sick Leave Bank

Executive Director Kate Gazunis explained that she would like to implement a sick leave share policy. She says that no one person would be able to donate more than a week of sick leave and that they could not go negative in their own sick leave or have less than a week's worth of time.

Commissioner Mary Morgan asked how the salary differential was relevant. Kate said the hours would be pooled together and then have those dollars there. Director of Finance Dhara Patel stated that when an employee leaves, we can take those hours and place them in the pool since they are not paid out to employees. Kate Gazunis says we will bring this back to a vote or resolution during the next board meeting.

## **VI. Old Business**

## 1. Asset Management Report

Capital Assets Manager, Rhonda Moore, gave the following updates to the Board: Rhonda says the city is giving us the solar grant for \$100,000. It will cover the community building and the first four buildings on Summit St. Hoosier Net have been working on getting the fiber installed in the neighborhood and during renovations, we have been putting fiber in each unit. It is supposed to be ready next month. The city has given us a grant to pay the Comcast bill for this building until the fiber is fired up. Once it is fired up, we will receive free internet service for this building and community education.

## VII. <u>Director's Report</u>

# 1. Development Updates

Executive Director Kate Gazunis stated that there will be a dedication ceremony on Tuesday, May 14<sup>th</sup>. Lindsey will be coming back into town for the event. She says that flyers will be going out later this afternoon for the event.

# 2. Staff Updates

Executive Director Kate Gazunis says we have new staff and will be getting some new interns soon.

Commissioner Mary Morgan wanted to thank Jessica Craig and Daniel Harmon for meeting with the Executive Director of the Bedford Housing Authority. She says she learned a lot from them.

#### VIII. Adjournment

A motion to adjourn was made by Sherry Clay and seconded by Nordia McNish. The meeting adjourned at 9:29 a.m.

Respectfully submitted by: Ashley Spradley, Administrative Assistant.

<sup>1</sup> Due to Governor's Order 2022-06, provisions for virtual participation due to COVID-19 have been rescinded. Virtual participation will now be regulated via the Amendment to the BHA Board of Commissioner Bylaws passed June 17, 2021, by Resolution 2021-16. BHA now must have a majority of commissioners participate in person.

- *Financials*: The April financial report is included in this packet. If you request a copy BEFORE NOON on WEDNESDAY, April 24, copies will be available at the meeting. The final 2023 BHA audit, including its component entities, will be available before the meeting. AB Khar, Audit Solutions, will join the Board meeting via Zoom to present the audit to the Commissioners. Note: All of the findings in the 2022 audit have been resolved, with no further action needed. There were no findings at all in the 2023 audit. The highlights include over \$7mil in unrestricted cash (approx. one year's operating budget less HAP) and a \$29mil net worth.
- *Fair Housing Training:* Four BHA Commissioners attended Fair Housing training at the Nelrod Conference earlier this month. This now means that all staff and most commissioners have updated fair housing training as recommended by outside counsel with Kroger, Gardis & Regas.
- **Strategic Planning:** BHA continues negotiating with Carla Clark Consulting to update the strategic plan.
- *HR*: This month, **Ashley Spradley** joins the FSS team following Liz's departure and **Brittney Willis's** promotion. **Mike Skiles** returned to the maintenance department in April, but sadly, **Alan Goodroad** is retiring in May after being with BHA for nearly 12 years. It's also a bittersweet announcement that **Meghan Miller** is leaving the BHA to pursue a counseling career after receiving her Master's Degree next month. She has kindly offered to work part-time to train her replacement, who should also be starting next month.
- *Internship Update:* Luca Tislow and Lauren Mondello have accepted internship offers at BHA from the IU School of Social Work. Luca will work with Jessica to assist and expand the LRMF program, and Lauren will work with ROSS to create and implement the "Cool Kids" youth outreach program.
- *HCV Program*: Please see the attached HUD's Two Year Tool (TYT) and Board summary in the packet. The BHA is voluntarily entering into a shortfall for the voucher program this year to realize the goal of issuing 98% (100%) of its vouchers.
- *Property Management:* The waiting list for the RAD Properties is open. Please see the attached Occupancy Report for Property Management in the packet.
- Family Self-Sufficiency: Please see the board packet's FSS (Stages) report.

#### Landlord Risk Mitigation Fund (LRMF)

The LRMF program has been steadily progressing, increasing enrollments, hosting renter education seminars, initiating client housing search efforts, and processing deposit assistance requests. In July, the LRMF will welcome its first BSW Intern, Luca Tislow. Luca will enter his senior year with the IU School of Social Work and has expressed a strong interest in housing and creating more equitable systems for individuals experiencing homelessness.

The Housing Stability Coordinator (Jessica Craig) is exploring adding eviction prevention services to the LRMF as a diversion to help households avoid homelessness. We are also exploring funding options and gathering eviction data for Monroe County to inform how the program would be shaped.

# **Resident Services Updates:**

#### Events:

- Plans for the dedication of the Lindsey A. Smith Community Center on May 14<sup>th</sup> are ongoing.
   The HUD Indy Field Office Director, Kimberly Wize, will attend, and we are expecting four HUD representatives, the Mayor, and several former Board Commissioners at this event.
- Heidi coordinated with the Purdue Extension and scheduled a Community Conversation about community health needs at the Community Center this month.

#### Community of Empowerment

- Resident Services Shuttle: Heidi and Rukus have worked to promote the grocery shuttle more. The shuttle has been running weekly, and the promotion of the shuttle will continue. More riders have signed up. The Health Foundation spoke with Heidi to discuss a triple SNAP/WIC offering at the Farmers Market for Area 10 and WIC participants this week. The Foundation will be doing an introduction email next week between Heidi, Rukus, and Leslie Benson from the Parks department to create a partnership for the Van to assist Area 10 and Wic participants in the RAD program to have access to triple market buckets.
- Area 10 will be applying to start a congregate meal at **Walnut Woods**; Heidi met with them so they could take measurements and pictures to send for federal approval of the location. Heidi met with Community Kitchen to check out the **Smith Community Center** so they can make use of our building while their building is under construction. Heidi has the back storage room prepared for the equipment they will need to store here once their construction begins in mid-May. Heidi and Rukus are making plans to stagger their schedules to ensure that a BHA staff member is present for the Community Kitchen meal handouts Monday-Saturday from 3:30-6:30. Heidi met with a local company to have the community center wired for sound and mics this will be at least six weeks out, which would not be ready for the dedication event. However, this company has equipment they are willing to loan us free of charge to have sound/mics for the event. Heidi and Ashley will go to their office next week to familiarize themselves with the equipment.
- *Community Safety Grant*: Jessica and Heidi interviewed potential interns from the IU School of Social Work last week. They offered positions to two interns, and both have accepted the positions. Heidi's intern will begin employment prior to the Fall semester. She will start working part-time at BHA on May 7th (Cool Kids youth program).

Staff Kudos: While we are all so happy to see Alan Goodroad back at work and doing well, we must now congratulate him on his pending retirement. Many thanks and congratulations to Meghan Miller as she moves into a new chapter of her life, having finished her Master's Degree in Counseling. Jessica Craig would like to I would like to thank Ryan and all of the interest and initiative he's taking to better connect BHA services to our homeless community. He's had a lot of good ideas, including his proposal to offer rental assistance via private donations to RAD Tenants with a homelessness preference point who are entering housing without income. Congratulations to Ashley Spradley as she continues her career with BHA with her new role in FSS. Congratulations to Dhara Patel, Director of Finance, on her perfect audit, and we are grateful for all her hard work this year to achieve this milestone.

### Solar Installations:

- The City of Bloomington (COB) Economic and Sustainable Development Department will award BHA a solar grant of \$100,000 to install solar panels on the community building and the four two-story buildings on Summit Street from Monroe Street to our office. In addition to this funding, they will provide the solar panels. The MOU will be issued once it is approved by the COB Attorney. I am hopeful we will be able to start this work in May.
- <u>Hoosier Net Fiber:</u> HNET will be installing fiber in all three of our complexes. I am working on finalizing the agreement with them, which should be ready by the end of April. They plan to have Crestmont and Reverend Butler live within the next month. They have not given a timeframe for Walnut Woods yet. They will supply free internet at our community building and provide community educational events.

### RAD II Update:

- BCM is still working on cleaning up the Crestmont grounds. They have contracted Nature's Way to repair grounds, lay new seed and straw, and provide plants and mulch around the community building.
- o CGR Services will stripe the Monroe Street parking lot when it gets warmer and the weather permits.

# **HCV Leasing and Spending Projection**

# IN022 Two-Year Voucher Forecasting Summary 4/18/2024 Prepared for: Board of Commissioners Prepared by: DH

Using the Housing Choice Voucher (HCV) Two-Year Tool, which allows a user to examine a PHA's voucher program under a variety of leasing, per-unit cost (PUC), and other key program scenarios, the attached tool estimates the program to end the current year with \$232,256, or 2% of budget authority. It is important to examine the program in light of the second year as well. In this scenario, IN022 will end the second year with - \$1,641,897, or -12% of budget authority. This scenario relies upon the following key variables:

Success Rate	Attrition Rate	Time from Issuance t	o HAP Effective Date
(How many issued vouchers will go to HAP)	(What percent of partipants annually leave)	(How fast do successf	ul issuances lease up)
67%	14%	Leased in	Percent
07.76	1470	0-30 Days	44%
Year 1 PUC	Year 2 PUC	31-60 Days	25%
(Average monthly cost of a voucher - Year 1)	(Average monthly cost of a voucher - Year 2)	61-90 Days	14%
\$716	\$798	91-120 Days	9%
Ψ/ 10	Ψ190	121-150 Days	8%

After deciding upon the above variables, the largest driver of the program revolves around the decision to issue vouchers. This scenario includes issuing 0 vouchers in the first year and 222 in the second year. In addition, the tool includes 31 planned lease-ups (i.e. project-based vouchers coming online, tenant-protection vouchers) through the end of the following year. This results in a total of 0 new lease-ups this year and 96 new lease-ups next year. Please see the below graph, which shows issued vouchers and associated leasing, as well as the total program UMLs, which takes into account attrition:

Under this scenario, the PHA has no offset for next year or the following year. Additionally, the higher of this year's leased units (97.7%) or dollars (106.2%) is 106.2%, indicating full leasing indicator points in SEMAP. This is an estimate. Next year, the higher of leased units (99.4%) or dollars (113.4%) is 113.4%, indicating full leasing indicator points in SEMAP. This is an estimate.

### **IN022 Administrative Fee Overview**

Based on the most recent, official (end of fiscal year) UNP, IN022 has a 2023 Calendar Year-End (CYE) UNP of \$1,558,115 (or 119.5% of CY 2023 Earned Admin Fees) and a 2024 CYE UNP of \$1,811,951 (or 144.1% of CY 2024 Earned Admin Fees). This projection uses average monthly administrative expense and carries it forward for the remaining months.
